Excellent. I am looking forward to meeting you all and completing the sampling.

Here is hoping the weather will cooperate.

To avoid confusion we have adopted to referring to me as Rupert and Rich Fetzer as Rich. So please feel free to calling me Rupert.

Regards,
Rupert

I don't think anything has changed, I just hadn't heard anyone use the term kick off meeting.

My understanding is we are meeting at the Command Post in Montrose at noon on Monday.

Is this also your understanding?

thanks
Rich Rupert

Rich,

During my discussions with Rich Fetzer, he indicated that we would all meet (EPA, PADEP, and Cabot) at the EPA Command Center in Montrose prior to sampling to review the project. Has this changed?

Thanks,
John

Hi John,

Just a quick question please; when you say kick off meeting I was wondering what you were referring to?

thanks
Rich

Thanks for forwarding Ann. We will coordinate with Rich accordingly. We will also be attending the project kick-off meeting tomorrow as well.

Thanks,
John

Subject: Sampling Schedule for the Week of January 23, 2012
Importance: High

Morning Stephen and John -

Just as an aside, when I email information related to sampling, I will use the two of you as my primary contacts. Please forward as you find necessary - the cc list was getting longer and longer and I was not even sure who many of the addressees were.

For next week, we have scheduled a full week of sampling, however, most of the residents are on the original CO&A list and many of them have declined to allow DEP or Cabot to split with EPA or to allow EPA to collect samples for DEP and Cabot.

Our plan beginning Wednesday is to sample 4 homes per day, using two EPA/contractor teams, two sample locations in the a.m. (~0830 appointments) and two sample locations in the afternoon (~1330 appointments). We may add an additional sampling team in the future but that decision has not been made at this time.

For Monday January 23 - Ex. 6 - Personal Privacy (I have sent her contact information)

For Tuesday - all residents have declined to allow split sampling.

For Wednesday - **Ex. 6 - Personal Privacy** - 1330 appointment

For Thursday - **Ex. 6 - Personal Privacy** - 1330 appointment

For Friday - **Ex. 6 - Personal Privacy** - 0830 appointment

Ex. 6 - Personal Privacy 1330 appointment

Ex. 6 - Personal Privacy 1330 appointment

On the days that we will be splitting sampling, please coordinate with Rich Rupert 215-514-8773, who is leading the sampling. I will send along the sampling schedule for the week of Monday January 30, 2012, no later than EOB Wednesday January 25, 2012. Please email me if you have any further questions.

Thanks.
